Welcome to STELLA'S PLACE! Stella Miller came to Estes Park from Pennsylvania in 1912, two days after the sinking of the Titanic. She built the Prospect Inn (this building) in 1915 and it was billed as 'the place to stay in Estes Park'; hence the name STELLA'S PLACE. We make our soup and sides from scratch, build our sandwiches and salads with premium ingredients to order and our snacks and desserts are inspired by our sister restaurant, SEASONED ~ An American Bistro (next door, through the French doors...). Enjoy a glass of wine, a beer or a cocktail on the patio, or indoors, while we prepare your orders. Thank you!
